

PUBLIC WORSHIP & ALL MEETINGS SUSPENDED

In order to protect public health, Bethel International Church is suspending public worship and in-person meetings until further notice. Bishop Palmer has asked for suspension through March. By now, I believe we all suspect it will be longer.

We will continue to offer online worship each weekend. Worship for March 15 is available [here](#). We may add a midweek time of music and prayer and/or daily devotions on Facebook. Check our website www.mybethel.org and your email.

For now, we ask that only staff and essential volunteers come to the church building. Staff will monitor phones and email, financial operations will continue, and some drive-up food distribution will take place. Other than that, we encourage Sunday school classes, small groups, committees, and other groups to stay in touch with one another remotely--it is so important for people not to feel alone. If your group would like assistance in learning how to “meet” via phone or online, contact the church and we will try to help.

Staff and Leadership Board are making plans to reach out to members who may be alone or in need. If that is you, contact me at 614-451-2085 or pastorglenn@mybethel.org – we can arrange for someone to help you. If you want someone with whom to talk or pray, contact me and I can partner you with someone. Help and God’s love are a phone call away! If you can volunteer to help others at this time, please let me know. Thank you.

Let’s let our faith, not our fear, lead us through this difficult time! Keep working your 2020 Spiritual Blueprint: worship online, pray five times a day, read a chapter of scripture daily, send out messages of kindness, and now more than ever share God’s love with others.
