

# Church Mask Policy

August 11, 2021

Dear Bethel International Church--

Due to the number of COVID cases rising yet again, until further notice I am *strongly encouraging* everyone to wear a face mask during worship and other inside events at church. We will make sure disposable masks are available at the Welcome Desk. This is a time to love one another and to love our neighbors by being as safe and careful as possible. Thank you.

Faithfully,  
Pastor Glenn
